

Thank you very much to the team who organised this excellent day. I've now read several books on forensic science and one on forensic anthropology. I'm seriously into reading Crime novels now too.

Brilliant conference today. Thanks to all involved - superb speakers, delicious lunch & amazing venue.

Thoroughly enjoyed the day, fascinating speakers, good venue with excellent catering and easy parking. Thank you so very much for all the work that went into producing such a great day. Shortly after returning home from such an excellent day from so many perspectives, I ordered his (PF's) book.

We had a great time. Thank you all.

Yes I can only echo what the other members have said. It was a brilliant day and thank you to the organisers.

We really enjoyed it too. Many thanks to the organisers.

Loved the day. Thank you everybody.

Great day. Very interesting talks. I thoroughly enjoyed my afternoon workshop - walking around the beautiful grounds of the Roffey Institute and solving a crime. Needed that to walk off the lovely food! Thank you to the team who arranged our day of crime in such lovely surroundings.

Thank you for organising a wonderful day at an excellent venue. I think the workshop went well and produced much laughter. I enjoyed talking with several members about their local groups. Have a well deserved celebration.

Fabulous day! I had such a good time - enjoyed all of it! Sincere thanks to all the Committee for their organisation and inventive activities to keep us all buzzing!

Congratulations on a very interesting Forensic day. Very well organised and super venue and delicious food!

What a fantastic day it was today.. the 2 speakers balanced each other nicely.. amazing

information.. feel privileged to have heard them speak. Venue hospitality and ease of service.. top marks. Your attention to detail is amazing and the whole day was well rounded. Thank you so much Jenny and all others on the committee.. you have such vision and commitment.

Jenny thank you so much for a fascinating day yesterday at Roffey Park. I thoroughly enjoyed it all, the speakers, the venue, the food and the superb organisation.

Thank you so much for a really wonderfully interesting and absorbing day yesterday. What a great speaker Peter Faulding was and how fascinating his work is. Hayley Scott too provided a different aspect of criminology and we all learnt a great deal from both of their super talks. The workshops and the quiz rounded off the day perfectly. Not having been there before, I thought that the Roffey Park Institute was a superb venue for such a conference; the grounds and the delicious lunch further enhanced a well thought out day. Well done to Sue the spokesperson for keeping us well informed and keeping us on track whilst touring the grounds trying to solve clues. An excellent day - thank you very much.

Thank you for organising another fantastic, interesting and varied day; I'm sure it was a lot of hard work but it paid off, judging by the 'buzz' at the end of the conference and the fact that it 'attracted' members from further afield. The choice of venue, the facilities and the catering were excellent and the speakers were outstanding, especially Peter. The day sums up what NWR is all about. Thank you once again for your hard work in making it such a remarkable day.

I know that all of us that attended the Forensic conference thought it was fantastic and we would like to send a huge thank you to Jenny Lee, Sara and the rest of their team. Just one question, when is the next one?!!

Brilliant day. I really enjoyed the two speakers, they were excellent and it was good to chat to Hayley who sat at our table for lunch. Fun afternoon too and great venue, and I enjoyed a swim and jacuzzi. You must have put lots of effort into the day but it certainly paid off!
