

# MAP, TRAVEL, PLACES TO STAY AND PLACES TO EAT

## Directions & Travel Information for Norwich

### 1. Walking Directions: Norwich Train Station → Norwich City Football Ground (Carrow Road)

According to both the Norwich City FC travel guidance and Greater Anglia's travel guide, the stadium is **less than 10 minutes on foot** from Norwich Station.

Here is the simplest route:

1. **Exit Norwich Train Station.**
2. **Turn left** and walk along **Koblenz Avenue**. This road leads directly toward the stadium.
3. Alternatively, walk **straight over the traffic lights** and go **through the Riverside leisure complex**—this is also a direct and well-used pedestrian route. [[canaries.co.uk](http://canaries.co.uk)], [[greateranglia.co.uk](http://greateranglia.co.uk)]
4. Continue following the path until the stadium (Carrow Road) comes into view on your right.

Both recommended official routes take roughly the same time.

---

## 2. Walking Directions: Norwich City Football Ground → Norwich City Centre

The most scenic and straightforward approach is to follow the **Riverside Walk**, which begins very close to Carrow Road:

1. Start from **Carrow Bridge (A147)**, which is directly beside the stadium.
2. Cross the bridge from the King Street side and then **descend to the riverside path**.
3. Follow the River Wensum north along the well-marked path.
4. You will pass landmarks such as Pulls Ferry, Bishop's Bridge, Cow Tower, and reach areas like Quayside and Fye Bridge—these all lead naturally into the **main city centre streets** including Tombland, Wensum Street, and the Cathedral Quarter.

This route brings you gently into the historic core of Norwich and arrives directly at well-known central areas such as Tombland and Castle Meadow.

---

## 3. Bus Routes from Riverside Complex → Norwich City Centre

Buses leave from stops around **Morrisons in the Riverside area**, with several services going directly or indirectly into the city centre.

### Main Bus Services from Riverside (Morrisons stops DH & DJ):
