Please note that all evening meetings on this programme start at 7pm. This allows time for people to arrive and have a drink before discussion starts at 7.30pm.

As a few of us have moved to smaller houses, please can we make a point of informing the host if we intend to attend a meeting, a couple of days before, so that they have some idea of numbers. It might be the case that we need to move a popular meeting to the South Ossett Church Parish Centre
