The film This Wonderful Life is based on this short story. We'll also watch the film and enjoy a mince pie and mulled wine.

January – date tbc

Dileab (a Colonsay Legacy) by Barbara Satchel to be passed round by Fiona and come January we should all have read it. Then we will ask Morag Law, the author's daughter who translated the book from Gaelic into English, to lead a discussion. Only 79 pages so this could be an extra meeting.

As both books for the December and January are very short shall we consider for January and then February: The Midnight Library by Matt Haig (several of us have a copy)

and The Songbirds by Christy Lefteri which will probably be out in paperback by Christmas?
